in the work caused by an unavoidable accident to the appliances or the machinery or by storms or washouts, or by any other cause beyond reasonable power of the party of the second part to prevent same.

It is further agreed and understood that in the event of the washingout of the banks of the river or of the caving of the banks so as to endanger said switch, party of the second part shall have the right to move the switch farther back from the river as far back as may be necessary.

This the 2nd day of March A.D. 1907.
