Members of the Budget Board and
Citizens of Tulsa County, Oklahoma

It is my pleasure to present the 2018-2022 Capital Improvements Program (CIP) for Tulsa County, Oklahoma. This is the eleventh year for the five (5) year Capital Improvements Program. The CIP process is meant to provide a focused plan to identify the County's infrastructure and capital needs and the funding to meet those needs. While several projects have funding sources, the critical need of the County is to identify and establish a recurring funding source for capital requests.

The total Capital Requests for the five year period from July 1, 2017 to June 30, 2022 is \$138,107,743. A total of \$99,807,473 in Capital Requests was submitted for the five year period from July 1, 2016 to June 30, 2021.

	Total All Requests	Unknown Funding Source	Known Funding Source
July 1, 2017 - June 30, 2022	138,107,743	15,750,185	122,357,558
July 1, 2016 - June 30, 2021	99,807,473	12,115,800	87,691,673
July 1, 2015 - June 30, 2020	103,423,680	29,024,280	74,943,000
July 1, 2014 - June 30, 2019	90,403,122	19,460,122	70,943,000
July 1, 2013 - June 30, 2018	227,880,615	221,059,590	6,821,310
July 1, 2012 - June 30, 2017	233,092,615	225,167,615	7,925,000

Eleven percent (11%) of the dollar amounts requested cannot be funded at this time. Of the \$138,107,743 that has been requested in the CIP this year, \$15,750,185 has no funding source.

The CIP is a planning tool for infrastructure and other capital improvements which prioritizes projects and schedules them for completion as soon as practical. Due to limited funding sources, many projects simply have to wait for funding and completion. The CIP is a five year plan that will be updated and revised on an annual basis. The annual updates will reflect changing priorities and revised cost estimates.

I would like to thank the Tulsa County Budget Board, the various department heads, and the staff of the Fiscal Office for their effort and input that help shape this document.

Respectfully submitted,

Tom R. Gerard
Tulsa County Fiscal Officer
