R.M. Davies & Sons.	72,770.00

FORM OF PROPOSAL.

TULSA-OWASSO-COLLINSVILLE ROAD.

Board of County Commissioners,
 Tulsa, Oklahoma.

Gentlemen:-

We, the undersigned hereby propose to furnish all the material and equipment and do all the work in construction of the State Road Section described as follows:

"Between Stations 665/ 60.3 and 794/80
 on the Tulsa-Owasso-Collinsville Road
 with privilege of extension".

which work is to be done in strict accordance with the plans and specifications approved by you and on file in the office of the County Engineer, in the County Court House in the City of Tulsa, State of Oklahoma, for the unit prices herein set forth, based on the Engineer's approximate estimate of quantities, it being understood that this proposal is made conditioned that said work may be extended under the same prices as are herein proposed, if so elected by your Honorable Board and notice of extension is given us prior to the completion of the work herein specifically bid upon.

ITEM NO. 1.

4,000 cubic yards of earth excavation including all clearing and grubbing, rolling and compacting the subgrade prior to laying concrete pavement and such rolling as may be deemed necessary by the Engineer while the grade is being constructed, at .36cts per C.Y. 1440.00

ITEM NO. 1A.

250 cubic yards earth borrow, complete in place, including rolling and compacting at .36 Cts. per C.Y. 90.00

ITEM NO. 2

200 Cubic yards loose rock excavation at .90 Cts. per C.Y. 180.00

ITEM No. 2A

250 cubic yards solid rock excavation at \$2.00 per C.Y. 500.00
