

and being fully advised in the premises, finds that said application should be granted.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED, That Oklahoma Natural Gas Company, of Tulsa, Oklahoma, be and the same is hereby authorized and empowered to lay, put down, construct, maintain and operate this its said gas pipe line for the conveyance transmission and transportation of natural gas along and under the said specified public highways of Tulsa County, Oklahoma.

IT IS FURTHER ORDERED, That said gas pipe line be buried so as not to interfere with the ingress and egress of adjacent farmers at the ordinary places of entrance to their lanes, and at such other places along said highway where abutting land owners may desire to locate a place for entrance to their lands when so requested by the owners.

IT IS UNDERSTOOD, That in granting this order it shall be in no wise construed as assuming any responsibility on the part of the Board of Commissioners of said County, or on the part of the said County, for any damage arising from the putting down, construction and operation of said line, but the Oklahoma Natural Gas Company shall be responsible for all damage accruing from the construction of said gas pipe line or which in any wise may be caused or occasioned thereby or by the use of the same.

IT IS FURTHER UNDERSTOOD AND AGREED, That this order and the rights accrued hereunder and granted hereby shall in no wise abridge the right or authority of the County Commissioners, the Township Trustees, and Road Overseers of the Public highways in said County as the same is now provided by law.

IT IS FURTHER ORDERED, That said line shall be so used, made and constructed as not to interfere with the use of said public highways, nor the repair thereof, nor with the drainage of the highways, and in crossing streams and drains it shall be placed over or below the same so as not to obstruct the flow of water therein, and when placed under the surface of highways, the surface or roadbed thereof shall be restored to the same degree of safety for travel as the same was before said pipe line was put under the surface thereof.

ATTEST: O G WEAVER, County Clerk
Nelle R. Smith, Deputy.

- - - - -

In the matter of the application of the Oklahoma Natural Gas Company, for permission to construct pipe lines along the County Highways, the following order was made:

Beginning at a point near the Southwest corner of Section 23, Township 20 North, Range 13 East, and running thence North to the Northwest corner of Section 23, thence East to a point near the Northwest corner of the Northeast Quarter of said Section 23, thence North across public highway into Section 14, said Township and Range; thereby paralleling Section line road between Sections 22 and 23 and 14 and 23, and crossing section line roads between Sections 23 and 26 and 14 and 23, Twp. 20 North, Range 13 East, to be known as Lines "A-2" and "A-W286", six and three inch gas pipe lines, respectively.

NOW, On this 30th. day of March, A D 1925, at a regular meeting of the Board of County Commissioners of Tulsa County, Oklahoma, held in compliance with and according to law, the application of the Oklahoma Natural Gas Company, a corporation, of Tulsa, Oklahoma, for the right to put down, construct, and operate its six inch and three inch gas pipe lines known as "Line A-2" and "Line A-W286", along and under the above specified public highways of Tulsa County, Oklahoma, which application is in writing and sets forth that it is necessary for the purpose of further advancing the business of said company in the purchasing, producing, marketing, transporting and conveying of natural gas as in said petition stated, to lay, construct, operate and maintain said pipe line along and under the specified public highways of Tulsa County, Oklahoma, comes on to be considered
