

and said Board after hearing said application and considering same and being fully advised in the premises finds that said application should be granted.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED, That the Oklahoma Natural Gas COMPANY, a corporation, of Tulsa, Oklahoma, be and the same is hereby authorized and empowered to lay, put down, construct and maintain and operate these said gas pipe lines for the conveyance, transmission and transportation of natural gas along and under the said specified public highways of Tulsa County, Oklahoma.

IT IS FURTHER ORDERED, That said gas pipe lines be buried so as not to interfere with the ingress and egress of adjacent farmers at the ordinary places of entrance to their lands, and at such other places along said highways where abutting land owners may desire to locate a place of entrance to their lands, when so requested by the owners.

IT IS UNDERSTOOD, That in granting this order it shall be in no wise construed as assuming any responsibility on the part of the Board of County Commissioners of said County, or on the part of the said County, for any damage arising from the putting down, construction and operation of said line, but the Oklahoma Natural Gas Company shall be responsible for all damage accruing from the construction of said gas pipe line or which in any wise may be caused or occasioned thereby or by the use of the same.

IT IS FURTHER UNDERSTOOD AND AGREED, That this order and the rights accrued hereunder and granted hereby shall in no wise abridge the right or authority of the County Commissioners, the Township, Trustees, and Road Overseers of the public highways in said County as the same is now provided by law.

IT IS FURTHER ORDERED, That said line shall be so used, made and constructed as not to interfere with the use of said public highway, nor the repair thereof, nor with the drainage of the highways, and in crossing streams and drains it shall be placed above or below the same so as not to obstruct the flow of water therein, and when placed under the surface of highways, the surface or roadbed thereof shall be restored to the same degree of safety for travel as the same was before said pipe line was put under the surface thereof.
