Motion made by Commissioner Bailey, seconded by Commissioner Couch, and unanimously carried, that the following Resolution be adopted:

Whereas, the plans, specifications, and estimates for Oklahoma Federal Aid Secondary Project No. S-321 (2), being 4.984 miles of 6" Dense Graded Gravel Base Course and Double Bituminous Surface Course. Beginning 4 miles South of Bixby and Extending Southwest, have been prepared by this Board of County Commissioners, and approved by the Department of Highways of the State of Oklahoma, and the Public Roads Administration, and

Whereas, it is to the best interest of Tulsa County that said projects be forthwith constructed by the Contract method in accordance with said plans and specifications,

NOW THEREFORE, be it resolved that the Department of Highways of the State of Oklahoma is hereby requested to proceed with the advertising, opening of bids, award of contract, and construction of said project, and said Department of Highways is hereby authorized to expend as much of the Farm-to-Market funds derived from HB 470 of the Twentieth Legislature and HB 253 of the Twenty-first Legislature and allocated to Tulsa County as are necessary to obtain Federal participation and to process and construct said project in accordance with the plans, specifications and estimates furnished by Tulsa County, the contract price not to exceed the amount of the estimate.

BE IT FURTHER RESOLVED, That said Board of County Commissioners does hereby certify to the Department of Highways that it has arranged for and will provide well qualified and suitable equipped engineering supervision satisfactory to the Public Roads Administration and the Department of Highways during the construction of said project.

Adopted this 16 day of February, 1948, by the unanimous vote of said Board of County Commissioners.
