

Hon. Board of Commissioners,
Tulsa, Oklahoma.

Gentlemen:-

Whereas a petition has been presented to your Honorable Board asking that a drainage district be created, and the necessary surveys, plans, estimates of cost and etc., be prepared, and whereas this work will require an expansion of the County Engineer's Department and entail the equipment of an organization for this purpose due to the great amount of work now under construction by the County, requiring the continued use of all its present force.

We therefore herewith tender to your Honorable Board our services for this work.

First: We propose to make all the preliminary surveys, cross sections, contour drainage maps, assessments maps, assessment rolls, flow line sections and estimate of costs, for the proposed drainage ditch, together with all lateral ditches, contract forms, and bidding sheets, to the satisfaction of the County Engineer and your Hon. Board, for the sum of Three (3) percent of the estimates cost of the work.

SECOND: We propose to furnish on construction, supervision, inspection, monthly estimates, stakes and all necessary construction data, for the guidance of the contractor to the completion and acceptance of the work, and the issuance of the tax warrants or Bonds, for the sum of _____ per cent of the estimated cost of the work, as shown by the final estimate made to the contractor as may be agreed upon.

This proposal is made subject to the option of your Board, in that either one or both proposals may be approved.

The cost of engineering being under the law a part of the improvement is chargeable to the property benefited, and if the work is done no cost will accrue to the County, and if the work is abandoned after the surveys are made, the costs of the surveys are to be paid out of the petitioners bond.

Hoping this proposal will meet with your favorable consideration,

Yours Truly,

THE HUGHES ENGINEERING COMPANY.

By R. C. Hughes.

Accepted this 2nd day of August, 1920, and the Hughes Engineering Company is herewith instructed to make surveys as stated in paragraph #1 or first.

BOARD OF COUNTY COMMISSIONERS
By F. M. WOODEN, Chairman.

Note:- This contract to take effect from and after the petitioners have filed a satisfactory bond as provided by law.

Upon being filed with the Board of County Commissioners a petition praying for a drainage district in Park View Place, Wekiwa Township, Tulsa County, Oklahoma, as provided by law, and there being also filed with said petition a good and sufficient bond payable to the State of Oklahoma, and signed by Brady Brown, E. L. Wyatt, C. G. Abbott, et al, signers of the petition; said bond being in the amount of \$150, which is an amount of \$50.00 for each mile of the proposed drain, and the bond was approved, and the Board finding in favor of the said petition there were appointed, on motion of W. L. North seconded by F. M. Wooden, three resident freeholders, namely. J. S. Shaver, F. M. Rodolf and John H. Miller, none of whom are interested in the said drain and of no kin to any person interested therein, to view and inspect the said proposed drain and report to this Board whether or not the proposed improvement is practicable and necessary or of public or private utility and benefit.

AFFIDAVITS OF ERRONEOUS ASSESSMENT filed by General Cigar Co., Jessie F. Mower, A. C. Lankford, C. C. Fanning, and E. M. Leslie, were filed with and ordered "Stricken" by the Board of County Commissioners.

A motion was made by W. L. North and seconded by F. M. Wooden that H. J. Green be appointed Constable to act in connection with I. E. Saddler, Justice of the Peace. Motion carried.

There being no further business coming before the Board for consideration on this date on motion the Board adjourned to meet in its Next regular session September 20th, 1920.
