RESOLUTION.

It appearing that the Atchison, Topeka and Santa Fe Railway Company have paid all their taxes on all their property in Tulsa County for the year 1911 for state, county and municipal purposes, with the following exceptions: Supply Fund, \$224.29; Poor and Insance and Salary Fund, \$26.91; Owasso Township, all purposes, \$599.11; Dawson Township, general fund \$348.58; School District No. 22, \$38.21. Santa Fe Tax Resolu tion

It further appearing that the above named railway insists that the above taxes on its property are illegally levied, and therefore void.

And it further appearing that a conference at which the members of the board of County Commissioners were present, County Attorney for Tulsa County being present, and the representatives of the Railway Company also present, a compromise was reached whereby the said railway Company agreed to waive the illegality of a portion of the above taxes and levies, and make a further payment as follows:

Supply Fund \$224.29; Owasso Township, \$599.11; School District No. 22, \$38.21; Dawson Township, general fund, \$174.29; still insisting on the illegality of levies as to the Poor and Insance and Salary Fund, \$26.91, and Dawson Township, general fund, \$174.29, offering therefore to pay \$1035.90, and asking that this Board remit as illegal and void and illegally levied and the taxes as above \$201.20.

Now, therefore, be it resolved, that the offere of the compromise made by the Railway Company be accepted and the taxes in Dawson Township for general purposes in the sum of \$174.29 be, and the same are hereby declared illegal, excessive and void, and are hereby remitted, and the County Treasurer of this County is authorized to accept payment of taxes for the Railway Company in such township taxes in the above sum taking credit therefor on this resolution; and that the taxes against said property of said Railway Company in this County on the poor and insance and salary fund in the sum of \$26.91 be declared illegal and excessive and void, and the same are hereby remitted, and the County Treasurer is authorized to accept this resolution as his authority for such non-payment and take credit for same hereon on his books.
