

OCTOBER 2 1916.

Lantry
Bid

HONORABLE BOARD OF COUNTY COMMISSIONERS,
Tulsa County, Oklahoma.

Gentlemen:-
The undersigned J.T.Lantry herewith offers and agrees to furnish all labor ,tools, and materials necessary for the construction of your proposed three miles of lithomastic highway, as per plans and specifications now on file in the offices of the County Engineer and County Clerk, for the sum of \$6,935.00 per linear mile, exclusive of engineering fees.
Payment may be made partially in crushed stone delivered at railway stations for the following named prices.
West Tulsa.-----\$1.20 per cu.yd.
Red Fork.-----\$1.41 per cu.yd.
Tancha.-----\$1.41 per cu.yd.

Or distributed as directed by us on the site of the work for the sum of \$1.75 per cubic yard throughout.

Joe.T.Lantry.

OCTOBER 16th 1916.

Lantry
Bid.

HONORABLE BOARD OF COUNTY COMMISSIONERS,
Tulsa County, Oklahoma.

Gentlemen:-
In conformity with your advertisement, the undersigned Joseph T. Lantry, herewith, offers and agrees to furnish the labor and tools for the full and complete grading of the TULSA-SAPULPA road for the following named prices:
for earth excavation the sum of twenty four cents per cu.yd.
for shale excavation the sum of forty nine cents per cu. yd.
for rock excavation the sum of one dollar and twenty five cents per cu.yd.
for embankment prices as above, but with the understanding of one way pay.
for overhaul over 300 ' the sum of two cents per cu.yd. per 100' feet.
for clearing and burning the sum of \$25.00 per acre.
for grubbing the sum of \$70.00 per acre.
for grading the sum of \$75.00 per mile.

In order to give your men the proper facilities for rolling this base for the new road the work will be put up in layers of one to two feet in thickness. The undersigned is very desirous of doing this grade work in connection with his proposal for placing the asphalt top,- for the reason that he is required to place a bond on his work.

Respectfully submitte,
JOSEPH T.LANTRY.

T.C.Hughes

An order was made by the Board of County Commissioners that T.C.Hughes be made inspector for the lithomastic surface to be paid at the rate of 3% of the cost of the lithomastic surface as filed per Engineer's estimate.
