Drain #2

WHEREAS on the 2nd day of January, 1912, the Board of County Commissioners of Tulsa County, State of Oklahoma, caused to be entered on their records their order finding that said proposed Drain No. 2 is necessary for sanitary and agricultural purposes, and will be conducive to public health, and is a public utility; and

WHEREAS on the 13th day of July, 1912 said County Commissioners did so certify such findings to the Judge of the District Court of Tulsa County, State of Oklahoma, and did request that he appoint as viewers three disinterested freeholders from the regular jury list of names prepared for the district court, who shall not be interested in the construction of said work and not of kin to any person interested therein; and

WHEREAS after due notice of said appointment as required by law, the said Judge of the District Court of Tulsa County, State of Oklahoma, did on the 4th day of November, 1912, in pursuance of the laws of the State of Oklahoma, do appoint D. O. Gilliss, and John Berryman and Martin Schuttler as viewers in said entitled matter, the same being three disinterested freeholders on the regular jury list of names prepared for the district court, who are not interested in the construction of said work and not of kin to any person interested therein; said appointment of said viewers being certified by the Clerk of the District Court in and for said County and State on the 4th day of November, 1912, to the Board of County Commissioners, said County and State, the same being filed in the office of the County Clerk of said County and State on this the 4th day of November, 1912; and

WHEREAS there has heretofore been filed with the County Clerk and the Board of County Commissioners a petition of the resident freeholders residing in said proposed Drain District No. 2, petitioning for the appointment of R. K. Hughes, and expert surveyor and engineer, as the surveyor to assist the viewers in said Drain in the proper survey of said proposed Drain, No. 2,

NOW THEREFORE, the Board of County Commissioners in regular session assembled, this 4th day of November, 1912, do hereby, order, authorize, and direct said D. O. Gilliss and John Berryman and Martin Schuttler the viewers herein appointed, and R. K. Hughes, an expert surveyor and engineer, to go upon the line described in said order first hereinbefore mentioned and referred to, to establish the precise location thereof, where in their judgment the proposed improvement will prove more efficient, to survey and level such described or established line and set a stake at every one hundred feet, numbering down stream, mark the intersection and boundaries of lands, township, range, and county lines bench marks and road and railroad crossings; to determine the dimensions and form of the proposed drain, levee or other improvement and what disposition shall be made of excavated earth; to establish the number of cubic yards of earth or other substance to be removed and the cost per cubic yard of each section of one hundred feet, and for the whole work, and to make report, profile, and plat of same; together with a schedule of all lots and lands and of public corporate roads and railroads, together with the names and residences of the owners, that will be benefitted, damaged, or condemned by or for the improvements
