Gentlemen:-

Complaint has been made to this office, this day, by a citizen of this City and county to the effect that the jitney drivers operating a jitney line on Federal Drive east of the city limits of the City of Tulsa, at the place where they have their terminus station are monopolizing or obstructing the public highway, to the extent that it very greatly obstructs or hinders the public in the use of such highway.

It is the opinion of this office that this matter should be referred to your Board for investigation and for the proper orders in the premises if it is necessary in your opinion to make any to be placed in the hands of the Sheriff for service and execution.

Yours very truly,

Jno. M. Goldesberry, County Attorney
