MANAGEMENT CONFERENCE  
August 22, 1991

The Board of County Commissioners of Tulsa County met at the hour of 9:00 a.m., with the following members present: Lewis Harris, Chairman; John Selph, Robert N. Dick. Members absent: None. Others present: Nancy Cooper, Manny Gamallo, Buck Rudd, Stanley Glanz, Wayne Carr, Dick Blakeley, Clay Edwards, Vera Carroll.

The Chairman called the meeting to order at 9:05 a.m., and the following business was transacted:

Selph stated that during a recent City Council meeting which he attended, members of the Council expressed concern about the length of time it is taking to begin construction of the Adult Detention Center and the slow progress of the Juvenile Detention Facility. A representative from the Mayor's office assured the Council they are doing everything possible to expedite the process and that the City is reviewing the interlocal agreement received from the County. Upon completion of the review, the agreement will be returned to the County.

Dr. Kara Gae Wilson was present to offer suggestions on exploring additional revenue sources for counties.

Wilson offered the following suggestions for improvements: 1) to allow counties to have a hotel/motel tax; 2) the creation of trust authorities in telecommunication services; 3) consolidation of educational services; 4) every county should employ a grant writer whose salary and operating budget would be self supporting in 4-5 years through grant funding.
