REPORT OF SURVEYOR TO COUNTY CLERK.

The undersigned, R. K. Hughes, the Civil Engineer heretofore appointed by the Board of County Commissioners of Tulsa County, Oklahoma, to receive bids, award contracts, and accept bonds for performance of work, in behalf of said Board of County Commissioners in the matter of Drain or Improvement No 2, submits his report of proceedings in regard thereto.

In pursuance of notice as required by law, on the 24th day of December, 1912, at 1:30 o'clock P.M., at the office of the County Commissioners of said County, and in the presence of said Board in open session, I opened bids submitted for the construction of said Drain, and after consideration thereof, let contracts therefor to the lowest bidders, and owners of land, as follows, to-wit:

For the construction of that part of Section 1 from Station 0 to Station 7 plus 96 to Ernest D rew, Guardian of Jimmie Drew at engineer's estimated of 18.7 cents per cubic yard, he being a property owner of said lands contiguous to that part of said drain.

For the construction of that part of Section 1 from Station 7 plus 96 to Station 27 plus 30 to W. E. Chastain at engineer's estimate of 18.7 cents per cubic yard, and one farm crossing therein at the engineer's estimate of \$50.00, he being a property owner owning said lands contiguous to that part of said drain.

For the construction of the remainder of Section 1, from Station 27 plus 30 to Station 31 at the engineer's estimate of 18.7 cents per cubic yard; and for the construction of that part of Section 1 from Station 31 to Station 54 plus 63 at the engineers estimate of 24.7 cents per cubic yard; and for the construction of 1 culvert in Section 1 at the engineer's estimate of \$55.00; and for the construction of 1 farm crossing in Section 2 at the engineer's estimate of \$50.00, he being a property owner owning said lands contiguous to that part of said drain.

For the construction of the remainder of Section 2 from Station 54 plus 63 to the end of said Section, I have let contract to J. E. McGowen at 13 cents per cubic yard; for the construction of all of Section 3, at 12 cents per cubic yard; for the construction of all of Section 4, at 9 cents per cubic yard; for the construction of Section 5 at 10 cents per cubic yard; for the construction of one farm crossing each in Sections 2, 3, 4, and 5 at \$45.00 each, and for the construction of one culvert in Section 5 at \$50.00; all to said J. E. McGowen.

Bonds as required by law have been filed for the faithful performance of said work as awarded. Said contracts and bonds are herewith presented to the Board of County Commissioners for approval.

R. K. Hughes, Surveyor."
