R E S O L U T I O N

At a regular meeting of the Board of County Commissioners of Tulsa County, Oklahoma, held on the 2nd. day of April, 1923, in the office of said commissioners in the Court House in Tulsa in said County, the following Resolution was introduced by Commissioner Ira Short, who moved its adoption and the motion was seconded by Commissioner F.M.Wooden and the Resolution was ordered read:

WHEREAS, the Hon. County Attorney has addressed the following communication of Ed.O. Cassidy, Special Deputy State Examiner and Inspector;

Copy of Letter.

"Mr.Ed.O.Cassidy, City.

Dear Ed:

I am handing you herewith files in two suits of the Frisco R.R.Co., the same number of the Santa Fe and a suit of Hines, Director General against Stuckey, which have heretofore been set down for hearing, and have been continued at the request of this office for one month in order to give you an opportunity to make an audit of the questions involved.

At every tax paying period we can safely figure on the taxes of the railways being protested.

This office is anxious to set the principal ground of complaint of the railway companies at rest by placing it before the Court in a way that in the future it may not be available to the railway companies, and it is as I see it, the adding of ten per cent for delinquent taxes.

The tax authorities have been trying to follow the law, as announced in the recent decision of the Supreme Court of Going vs Santa Fe Railway Co.

Will you, therefore, please make an effort, and I know that you are short handed with your force, to the end this audit may be available when these cases will be reached for trial on May 2nd.

Yours truly,

John M.Goldesberry, County Attorney.

By: James Harrington, Assistant Co.Atty.
