Ave. Selph stated \$50. publication fee paid and hearing would proceed. Irving Frank, TMAPC, appeared and stated that the Planning Commission voted on October 23, 1985 to deny application. On March 12, 1986, the Planning Commission voted to recommend approval of IL as requested. Selph asked if anyone present to speak in favor of application. Roy Johnsen, Attorney for applicant, appeared and stated they have now fenced and met the dust free requirement on the property intended to be used for storing trailers.
