THE SINCLAIR OIL & GAS COMPANY.

By. Edw.H.Chandler.

OFFICE OF THE BOARD OF COUNTY COMMISSIONERS,
TULSA COUNTY, STATE OF OKLAHOMA.

Now, on this 8 th day of March, 1917, at a regular meeting held in compliance with and according to law, of said Board of county commissioners, comes the Sinclair Oil & Gas Company, and presents to the Board its request in writing, setting forth that it is necessary for the purpose of carrying on its business or purchasing and transporting oil and gas, as in said petition stated, to lay, construct and maintain lines of pipe along and across the public highway of said Tulsa County, and said Board being fully advised in the matter and having carefully considered the same, it is hereby ordered that the said Sinclair Oil & Gas Company, be and it is hereby ordered that the said Sinclair Oil & Gas Company, be and it is hereby permitted to lay, maintain and operate lines of pipe for the conveyance of oil and gas along and across any of the public highways in said Tulsa County, State of Oklahoma, where the same may be necessary for the construction of its said lines of pipe;

It is further ordered that the said lines of pipe shall be buried so as not to interfere with ingress or egress to adjacent farms at the ordinary places of entrance and at such other places along such highways where the abutting land owners may desire to locate a place for entrance when so requested by said owner.

It is understood that in granting this order that it shall in no way be construed as assuming any responsibility on the party of the Board of County Commissioners of said Tulsa County, or on the party of said County, but the Sinclair Oil & Gas Company shall be responsible for all damages done in constructing said lines of pipe, or which in any wise may be caused or occasioned thereby or by the use of the same hereafter.

It is further understood and agreed that this order and the right secured and granted hereby shall in no wise abridge the authority and right of the County Commissioners, the Township Trustees and the Road Overseers of the Public Highways in said County, as the same is now provided by law.

It is further ordered that said lines of pipe shall be so laid and constructed as not to interfere with the use of any of the said public highways nor the repairs thereof. When pipe lines parallel section lines they shall be laid and constructed as near the outside of highways as possible, and in no case shall they encroach on the inside line of the highway more than three feet, without first getting permission from the County Commissioners so to do.

It is further ordered that said lines of pipe shall be laid and constructed so as not to interfere with the drainage of the highways and in crossing drains or streams shall be placed above or below the same so as not to obstruct the flow of water therein.

County Commissioners.
