P E T I T I O N.

TO THE HONORABLE BOARD OF COUNTY COMMISSIONERS OF
TULSA COUNTY, OKLAHOMA.

Comes now the Oil Issues Company, a corporation organized under the laws of the State of Maine, and duly qualified to transact business in the State of Oklahoma, represents that said company is engaged in the business of producing oil and gas; and

WHEREAS, it is necessary for said company in carrying on its operations to construct, maintain and operate Telegraph and Telephone Lines and Pipe Lines over, across and along the public highways in said Tulsa County, Oklahoma, and

WHEREAS, said company is desirous at this time of laying and maintaining a 3" Pipe Line 23' East of the County Line, between Creek and Tulsa Counties thru sections 6, 7 and 18, Township Nineteen North, Range 10 East in Tulsa County.

NOW, THEREFORE, your petitioner prays that permission be granted by your honorable Board for the construction, maintenance and operation of said lines as aforesaid, in such manner as not to interfere with the ordinary traffic, public use of said highways or necessary repairs thereof.

OIL ISSUES COMPANY,

By M. R. HAMLETON, Vice President.

O R D E R.

NOW TO-WIT: On this 7th day of February, A. D. 1921, at the regular session of the Board of County Commissioners of Tulsa County, Oklahoma the petition of Oil Issues Company, a corporation organized under the laws of the State of Maine, and authorized to transact business in the State of Oklahoma, came on to be heard, and the Board being fully advised in the premises

It was by said Board ordered that there be, and there is hereby granted to the said Oil Issues Company, its successors and assigns, the right to construct, maintain and operate Telegraph and Telephone Lines and Pipe Lines over, across and along the public highways in said Tulsa County, Oklahoma, 23' East of the County Line between Creek and Tulsa Counties, through Sections 6, 7 and 18, Township 19 North, Range 10 East in Tulsa County, Oklahoma, under the supervision of the County Engineer.

It is further ordered that the said Oil Issues Company, its successors, and assigns, shall conduct, maintain and operate said lines in such manner as not to interfere with the ordinary traffic and public use of said highways, and the necessary repairs thereof, and should said lines at any time be constructed, maintained and operated in such place or manner as to interfere with the use of said highways or repairs, or any contemplated repairs, the said Oil Issues Company, its successors and assigns shall, upon thirty days notice given by said Board of County Commissioners, remove and replace said lines to such place in such highway and in such a manner so that they will not in any way interfere with such use of repairs of such highways; that when excavations are made in such highways along such lines, the surface thereof should be restored and maintained in as good conditions as it was before such excavations were made.

It is further ordered that this order of said Board does not in any way release the said Oil Issues Company from any damages which may accrue to any abutting property owner by reason of constructing, maintaining and operating said lines.
