

BEFORE THE BOARD OF COUNTY COMMISSIONERS OF TULSA COUNTY, STATE OF OKLAHOMA.

In the matter of the application of the Sand Springs Home a corporation, for the use of the public highways of Tulsa County, Oklahoma, for the purposes of erecting and maintaining poles, wires, and other apparatus and appliances within Tulsa County, Oklahoma, for the purposes of transmitting and selling to the inhabitants and to other cities and towns in said County, electricity for light, heat and power.

To the Honorable Board of County Commissioners,
of Tulsa County, Oklahoma.

COMES NOW the SAND SPRINGS HOME, a corporation, duly organized and existing under and by virtue of the Laws of the State of Oklahoma, and respectfully represents that it is authorized by its charter to furnish electricity for heat, light and power to various municipalities and inhabitants within the County of Tulsa and State of Oklahoma.

Your petitioner further represents and shows that it has made application to the Town of Sperry and in said County, for a franchise to furnish said municipalities with electricity for heat, light and power, and that it will be necessary to lay and maintain on the following public highways in said county, such poles, wires, apparatus and appliances as may be necessary and proper to transmit said electricity to said municipalities, to wit:

Beginning At Bruner Station, at a point on the south side of the public Highway running between the Cities of Sand Springs and Tulsa, Oklahoma, thence running west along the south side of said highway through section seven (7), township Nineteen (19) north, Range Twelve (12) East to Lake Station on the Sand Springs Railway; thence running west from Lake Station along the south side of said public highway through section Twelve (12), township Nineteen (19) North, Range Eleven (11) East to Home Station on the line of said Sand Springs Railway.

WHEREFORE, your petitioner prays that it be granted permission by your Honorable Body to use the above described public highways within and for said Tulsa County, for the purpose of laying and maintaining thereon such poles, wires apparatus and appliances as may be necessary to successfully furnish said municipalities for the uses and purposes herein mentioned.

SAND SPRINGS HOME,

By Stuart, Cruce & Bland, Attorneys.

O R D E R.

NOW ON THIS 7th day of February, 1921, the application of the Sand Springs Home, a corporation, for the use of certain public highways within Tulsa County, Oklahoma, for the purpose of erecting and maintaining poles, wires and other apparatus and appliances for the purpose of transmitting and selling to inhabitants and to other cities and towns in said County, electricity, for light, heat and power, coming on to be heard, the Board finds that said petitioner, Sand Springs Home is a Corporation duly organized and existing under and by virtue of the laws of the State of Oklahoma, and is authorized by its charter to furnish electricity for heat, light and power to various inhabitants and municipalities within the County of Tulsa, and State of Oklahoma, that said Sand Springs Home has made application to the town of Sperry and Skiatook in said County, for a franchise to furnish said municipalities with electricity, and that it will be necessary to lay and maintain on the following public highways in said county poles, wires and apparatus and other appliances as may be proper to transmit to said municipalities, to wit:

Beginning At Bruner Station, at a point on the south side of the Public Highway running between cities of Sand Springs and Tulsa, Oklahoma, thence running west along the south side of said highway through section seven (7), township nineteen (19) north, range Twelve (12) East, to Lake Station on the Sand Springs Railway; thence running west from Lake Station along the south side of said public highway through Section Twelve (12) township Nineteen (19) North, Range Eleven (11) East, to Home station on the line of the Said Sand Springs Railway.

IT IS, THEREFORE, ORDERED that the Sand Springs Home be and is hereby authorized to use the above described highways within said County and along such other section lines as petitioner may elect to use in said county for said purposes.

IT IS FURTHER ORDERED that the installation of said poles, wires etc, shall be made under the direction of the County Engineer and in such places and manner consistent with necessity to least interfere with other public uses of said highways, and said highways shall not be unnecessarily obstructed and shall within reasonable time be placed as near as practicable in as good condition and repair as before such construction, at the expense of said Sand Springs Home; that in the event the Board of County Commissioners decide at any time to widen the Highways so used by said Sand Springs Home that said Sand Springs Home will move its poles lines to conform to said highways at its own expense, and under the supervision of the County Engineer, and said Sand Springs Home will hold the County harmless from any ~~extra~~ liability arising from any liability arising from any negligence, act or omission.
