

April 24th 1917.

The Board of County Commissioners met in special session this the 24th day of April 1917, and the following resolution was passes.

WHEREAS, the proposition relative to the construction of the prospective Ozark Trail line through Tulsa County has been submitted to the Board of County Commissioners of Tulsa County, this the 24 th day of April, 1917, as follows, to-wit:

The representatives of the Oil Fields and Northern route of the Ozark Trail having projected and now constructing their line from Texola on the Texas line to Keystone, desire positive assurance from the Board of County Commissioners of Tulsa County, Oklahoma, or representative citizens of Tulsa County, that a road built according to the Ozark Trail specifications be constructed from Keystone to the city of Tulsa; they further state that a line constructed from Keystone to a connection with the Southern end of the bridge contracted to be constructed across the river at Sand Springs and the putting of the road from the North end of said bridge through Sand Springs and into the city of Tulsa in condition to meet the Ozark Trail specifications will be acceptable; provided a contract for a bridge is executed and work of construction begun before June 1st, and the road outside of the bridge at Sand Springs and the bridge across Big Hollow which shall also be contracted, shall all be completed before the first day of June 1917; and a ferry be put in operation at Sand Springs until the bridge at that point be completed.
