

July 30, 1948

TO THE BOARD OF COUNTY COMMISSIONERS
TULSA COUNTY, OKLAHOMA:

The undersigned hereby request permission and authorization from your Board to construct certain water lines in public roads or highways outside of corporate cities or towns in Tulsa County, Oklahoma, as shown in the plat which is hereto attached and made a part of this application; the location of the proposed water lines being more particularly described as follows, to-wit:

Starting at a point located in the County Road Right of Way approximately 2640 feet West and 25 feet North of the Northeast corner of Section 16, T-19-N, R-13-E, Tulsa County, Oklahoma, thence South 46 feet, thence East 2619 feet parallel to the North line of the section described above, thence South a distance of 13160 feet parallel to the section lines (approximately 21 feet West of center line of existing county road) to the termination located approximately at the Southeast corner of the East 60 acres of Northeast quarter Section 28, T-19-N, R-13-E, Tulsa County, Oklahoma.

It is understood and agreed that said permission and authorization, if granted, shall be subject to the following provisions which are hereby agreed to by applicant:

1. Permanent markers shall be placed by the applicant showing the location of said water lines.
2. The applicant agrees to maintain and keep in good repair the said water lines until such time as the land on which they are located is annexed to the City of Tulsa.
3. The applicant hereby relieves the Board of County Commissioners of Tulsa County, Oklahoma, of and from any liability for injury to said water lines in connection with work on the roads performed by or under the authority of said Board of County Commissioners.
4. Applicant agrees that the said water lines shall not interfere with the use or maintenance of the public roads.
