

to interfere with ingress or egress to adjacent farms at the ordinary places of entrance, and at such other places along said highway where the abutting lands owners may desire to locate a place for entrance when requested by said owner.

It is understood that in granting this order that it shall, in noway be construed as assuming any responsibility on the part of the Board of County Commissioners of said Tulsa County, or on the part of said County, but the Broken Arrow Coal Company shall be responsible for all damages done in constructing said lines of pipe, or which in anywuse may be caused or occasioned thereby, or by the use of the same hereafter.

It is further understood and agreed that said lines of pipe shall be used only for the conveyance of water.

It is further understood that this order and the right secured and granted thereby shall, in no wise abridge the right and authority of the County Commissioners; the Township Trustees, and the Road Overseers of the Public Highways in said County, as the same is now provided by law.

It is further ordered that said pipe line shall be so laid and constructed as not to interfere with the use of the said Public Highways, nor the repair thereof; pipe line shall be laid and constructed approximately 22 feet from the center line of said section. It is further ordered that said lines of pipe shall be laid and constructed so as not to interfere with the drainage of the highways, and in crossing draines or steams shall be placed above or below the same, so as not to obstruct the flow of water therein.

Ed W Hedgecock.

ATTEST: O G Weaver, County Clerk.

At a regularly adjourned meeting of the Board of County Commissioners, held on the 23rd. day of November, 1925, the following Resolution was introduced by Commissioner W L North, who moved its adoption, and the motion to adopt was seconded by Commissioner Hedgecock, and the Chairman ordered the Resolution read:

R E S O L U T I O N.

WHEREAS, it has been made to appear to this Board that notice has been duly published by the Directors of the Water Improvement District No. 3, Tulsa County, Oklahoma, and that fifteen (15) days have expired since the date of the last publication thereof, and

WHEREAS, it has been made to appear that no protests have been filed with the County Clerk or this Board, except, an oral protest made by Clay Payne, et al, but on this 23rd. day of November, 1925, Clay Payne, et al, did appear and protest and object, alleging that their lands would not be benefitted by the said Water Improvement District, but made no objections to the plans and specifications heretofore approved by the said Water Improvement District No. 3, and

WHEREAS, said objections having been heard by this Board, and it appearing that the Board is without power at this time to take said protests, as asked for by said protestants, and there being no other protests made,

IT IS THEREFORE RESOLVED, By this Board of County Commissioners of Tulsa County State of Oklahoma, that said protests and objections be and the same are hereby denied.

Upon roll call all members of the Commission voting in the affirmative, the said Resolution was unanimously adopted.

The following Affidavits of Erroneous Assessment were presented to the Board
