

November 15th, 1937.

The general purpose and intention of the proposed water improvement district is the construction of a water distribution system to obtain, supply, transport, and distribute water for domestic and other uses, including irrigation purposes, from a common source or combined sources.

The territory proposed to be included in the district shall be set out in the proposition. This notice is given by the order of the Board of County Commissioners of Tulsa County, Oklahoma, pursuant to a sufficient petition with the requisite signatures in accordance with Chapter 145, Session Laws of Oklahoma, 1925.

Witness my hand and seal of this County of Tulsa, Oklahoma, this 15th day of November, 1937.

Seal. Signed: Andy Stokes, County Clerk.
