BOARD OF COUNTY COMMISSIONERS OF TULSA
COUNTY, STATE OF OKLAHOMA.
By F. M. Wooden, Chairman.

Tulsa, Oklahoma, May 24th, 1921.

The Board of County Commissioners,

Tulsa County, State of Oklahoma.

Gentlemen:-

WHEREAS a petition has been presented to your Board asking that a drainage ditch be constructed and a drainage district be created, and surveys, plans, estimates of cost, etc., will be necessary, and

WHEREAS this work will require an expansion of the County Engineering Department and entail the equipment of an organization for this purpose due to the great amount of work now under construction by the county requiring the continued use of all its present force,

WE, THEREFORE, submit the following proposition:

First: We propose to make all the preliminary surveys, cross sections, contour drainage maps, assessment maps, assessment rolls, flow line sections and estimates of cost for the proposed drainage ditch and lateral ditches, contract forms, and bidding sheets to the satisfaction of the County Engineer and your Board, for the sum of Three (3) per cent of the estimated cost of the work.

Second: We propose to furnish on construction, supervision, inspection, monthly estimates, stakes and all necessary construction data for the guidance of the contractor to the completion and acceptance of the work and the issuance of the bonds for the further sum of Four (4) percent of the estimated cost of the work, as shown by the final estimate
