BOARD OF COUNTY COMMISSIONERS OF THE
COUNTY OF TULSA, STATE OF OKLAHOMA.

ATTEST: O. D. LAWSON, County Clerk.

By F. M. WOODEN, Chairman

- - - - -

There having been filed with the County Clerk and there is now presented to this Board a petition for the construction of a drainage ditch in what is known as Park View, together with a bond conditioned for the payment of all costs and expenses if said petition is denied for any cause, and there having been received by said Board a proposal for certain services in connection with the construction of said ditch, the following proceedings were had:

Thereupon F. M. Wooden introduced a resolution, which was read by the Clerk, and upon motion by W. L. North seconded by Ed Dalton, adopted by the following vote

Aye:	All
Nay:	None

signed by the chairman, attested by the clerk and sealed with the seal of said county, said resolution being as follows:

R E S O L U T I O N.

A RESOLUTION RELATING TO THE EMPLOYMENT OF THE HUGHES ENGINEERING COMPANY OF TULSA, OKLAHOMA, IN CONNECTION WITH THE PARK VIEW DRAINAGE DISTRICT.

WHEREAS, there had been presented to the Board of County Commissioners of Tulsa County, State of Oklahoma, a proposal by the Hughes Engineering Company of Tulsa, said county and state, which is as follows:

Tulsa, Oklahoma, May 24th, 1921.

The Board of County Commissioners,
Tulsa County, Oklahoma.

Gentlemen:-

WHEREAS a petition has been presented to your board asking that a drainage ditch be constructed and a drainage district be created, and surveys, plans, estimates of cost, etc., will be necessary, and

WHEREAS this work will require an expansion of the County Engineering Department and entail the equipment of an organization for this purpose due to the great amount of work now under construction by the county requiring the continued use of all its present force,

WE, therefore, submit the following propositions:

First: We propose to make all preliminary surveys, cross sections, contour drainage maps, assessment maps, assessment rolls, flow line sections and estimates of cost for the
