

only for the transportation of crude oil or petroleum.

It is further agreed and understood that this order and the rights secured and granted thereby shall in no wise abridge the right and authority of the County Commissioners the Township Trustees and the Road overseers of the public highways in said County as the same is now provided by law.

It is further agreed that said lines of pipe, telegraph or telephone wires shall be so laid and constructed so as not to interfere with the use of any of the public highways nor the repairs thereof. When pipe, telegraph or telephone lines parallel section lines, they shall be laid and constructed as near the outside line of highway as and in no case shall they encroach on the inside line of the highway more than three feet without first getting permission from County Commissioners so to do.

It is further ordered that said lines of pipe shall be laid and constructed so as not to interfere with the drainage of the highways; and in crossing drains or streams shall be placed above or below the same so as not to obstruct the flow of water therein.
