

to the property embraced in the proposed district.

Section 2. That said proposed ditch shall be and is hereby ordered to be constructed, and the land to be benefited thereby shall constitute a drainage district designated and to be known as Park View Drainage District No. 1, Tulsa County, Oklahoma.

Section 3. That the district Judge of Tulsa County is hereby requested to appoint from the regular jury list of names prepared for the District Court of said county, three disinterested freeholders, not interested in the construction of such ditch and not of kin to any person interested therein, who shall go upon the line of and view said proposed ditch, establish the precise location thereof, and do all things required of them by law in connection therewith, and make report, profile and plat; that notice of such application shall be given by said judge as required by law.

SECTION 4. That the Board of County Commissioners hereby certifies its findings to such judge, and the County Clerk of said County is hereby directed to present to such judge a certified copy of this resolution.

Section 5. That the petitioners shall be released from the bond filed with the petition herein, the Board of County Commissioners having found in favor of said petition.

Section 6. That by reason of said district being in need of proper drainage it is deemed and hereby declared necessary for the preservation of public health, peace and safety, that said ditch be constructed without delay, and to that end that this resolution shall become operative immediately; Wherefore, an emergency is hereby declared to exist, and this resolution shall be in force and effect immediately from and after its passage and approval.

Passed and approved this 20th day of June, 1921.
