short term solution. Edwards will do an assessment to determine the cost difference between hiring deputies, police officers or a private security firm to police the area during business hours. It was agreed by all parties that funding for the security service would be shared equally by the Sheriff's Office, City of Tulsa, City-County Library and the Metropolitan Transit Authority.

Selph returned to the meeting at 10:55 a.m.

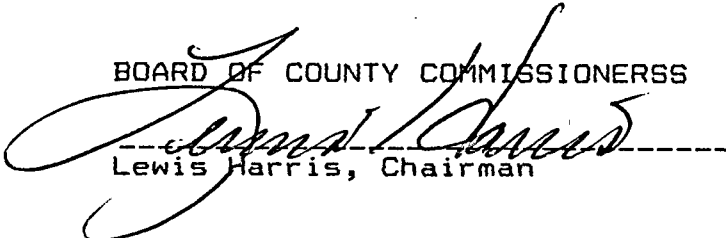

Rudd reported on plans that have been developed as a temporary solution to the overcrowded conditions in the Public Defender's offices. The plans are to temporarily modify the office on a very modest basis. No Board action required. Funding for material will come from Rudd's budget and Building Operations will provide the labor.

The Board discussed donated and confiscated vehicles as outlined in Rudd's memorandum of 10-12-94. Following discussion, it was determined that a policy needs to be established to allow Jim Fissel, Fleet Supervisor, to review and assess repair costs of the vehicles to determine the feasibility of accepting them. Dick will assist in developing this policy. After the vehicles have been assessed, the requesting agency will determine whether they want to expend the funds to repair the vehicles.

Ollie Gresham, Attorney, and Frank Ward of the Tulsa Area Tennis Association, presented concerns about LaFortune Park Tennis Center, as a result of the termination of tennis pro, Andy Martin. Following discussion, the Board concurred to involve the Tennis Association in the selection process of a new tennis pro.

Meeting adjourned at 11:45 a.m.
