

County pay one half of Bridge

pay three-fourths of the cost of said bridge, as the law now provides, and the Township one-fourth. But if an act of the Legislature - could be had authorizing the Township of Jenk to pay one-half, it is the sense of this Board then to order such bridge built, and have the County pay one-half;

Attest C. F. Rogers

W. L. North

Sec. Clerk,

Chairman Board of County Com.
