Milwaukee, Wisconsin. August 19, 1921.

Mr. E. L. Wilson,
Tulsa, Oklahoma.

Dear Sir:-

We are very glad to note by your letter of the 17th that Mr. S. J. Campbell of your city has secured the contract for the installation of the Milwaukee Air Power Water system at the Bermuda Lawn Farm.

We note that the County Commissioners wish to know just where they stand with regard to our guarantee and in this connection we are pleased to advise that we guarantee any part of the equipment furnished by us to be free from defects in material and workmanship for a period of one year from date of shipment and any parts that show defects will be duplicated by us free of charge. We wish it understood however, that this guarantee contemplates replacing material only, and does not figure on any expense at the other end for making changes.

In other words, should the pump prove defective we will furnish a new one f.o.b. Milwaukee, without charge.

This is the regular guarantee we put out with all of our equipment, and Mr. Campbell is authorized to make this same proposition to the County Commissioners.

Yours Truly,

MILWAUKEE AIR POWER PUMP CO.
