

EMERGENCY.

Hon. County Commissioners,
Tulsa County, Oklahoma.

Gentlemen;

Due to a wash out of the west abutment of the Turley Bird Creek Bridge, an emergency existing at tthis time, it is my recommendation that the Contract between Tulsa County and E.G.Fike and Company, Number 104A be extended to cover the said work and that authority beginning the said work be given at once. This is a main line road and is closed by reason of the bridge. I have designed a 40 foot I Beam Span approach and recommend its approval.
