Harris stated \$50. publication fee paid and hearing would proceed. Bob Gardner,
TMAPC, was present and advised that the planning commission staff recommends CG
zoning rather than the CH requested. Applicant was present and his attorney,
Kenneth Ellison, advised that CG zoning would be acceptable. Harris asked if
anyone present to speak for this application. There were none. Harris asked if
anyone present to speak against this application. Jeff Kirkham, 1727 East 73rd
Street North, is protesting this application and very concerned about "the many
illegal and inappropriate commercial uses already in this area." The applicant
also has stated different intended uses at different times. Kirkham has talked
to a number of people about his concerns and "no one seems interested." Harris
