Young expressed the Board's appreciation and thanks to their department heads for the fine jobs they are doing for Tulsa County.

Jerry Cole, representing the Owasso Community Homeowners Association, Inc. appeared before the Board to voice their concern and opposition to the many mobile home parks that are being put in that area. He expressed concern for such services as water, fire protection and schools and how they were going to be supported since tax revenues from mobile home parks are relatively low. He asked for the Board's opinions and suggestions as to what could be done to protect the investments of home owners in that area. Young suggested have the planning committee make a special study of this area and see what the conditions are and get their recommendations.

Moved by Harris, seconded by Rice, to approve and authorize execution by the Commission, the following claims, provided that all claims involving wages and/or salaries be subject to state and federal withholding income tax, retirement fund and social security deductions. (Vendor warrants will be issued August 22, 1983) Upon roll call, Harris, yes; Rice, yes; Young, yes. Motion carried.

* Those claims listed in the August 8, 1983 minutes also approved in the above motion.
