Tulsa, Oklahoma.

Gentlemen:-

COMPALED

In regard to the progress and condition of the various work assigned to the State Examiner and Inspector's force in the service of Tulsa County, beg to advise you as follows: This report covers the period from the date of our last report, January 3rd, 1922 up to and including the close of business January 14th, 1922.

HALLMAN AUDIT.

The Hallman audit has been completed and submitted to you and we are now typewriting the report and when the same is officially approved it will be filed with you. In connection with this audit we are making an investigation of the matters not appearing upon the records and as soon as we obtain possession of the facts another report will be made to you.

FINANCIAL STATEMENT AND APPLICATION FOR SUPPLEMENTAL APPROPRIATION.

This is made necessary on account of the improper distribution of claims, and the appropriation ledger will have to reflect the same balance in accounts that our report will, which will show the result of the six months operation in the general fund.

PORTER AUDIT.

"The poor Ye have always with you" and it seems likewise with the Porter audit, but I am pleased to be able to state that we have practically completed the same and
