36143.85

Note: Cost of Excavating and Backfilling to be absorbed in price bid for concrete in Abutments and piers.

Independent of the above unit item bid, the lump sum bid shall be considered as the Contract Price of said bridge and any deductions or additions that may arise in event of changes in the plans that may be directed by the County Engineer, will be deducted or added as the case may be, from or to the contract price according to the unit item bid, and said unit item bid may be used as a basis for arriving at amounts due in making payments on partial estimates.

If awarded the contract, we agree to begin the said work within ten (10) days from the date authorized in writing by the County Engineer to begin the said work, and agree to complete to the acceptance of the County Engineer, the entire structure within four (4) months (120) working days thereafter and upon failure to do so, the provisions of Oklahoma Specifications regarding failure to complete work on time shall govern.

Certified check amounting to \$2,000.00 is hereto attached.

All provisions of Oklahoma Standard Specifications to govern.

Respectfully submitted this 18th. day of October, 1926.

E G Fike and Co. Contractor.
By: E G Fike, President.

PROPOSAL FOR CONSTRUCTION OF BRIDGES AND CULVERTS.
