

447  
January 26th, 1942.

The following resolution was made by Commissioner Gray and seconded by Commissioner Morley:

WHEREAS, the Board of County Commissioners has received from the District Court of Tulsa County, Oklahoma, a certified copy of the order of the District Court, Tulsa County, Oklahoma, appointing Merritt J. Glass, Ray H. Brown and E. C. Vickers as viewers of the Tulsa-Sand Springs Levee and Drainage District, Tulsa County Drainage District No. 11; and whereas the Board of County Commissioners are required by law to enter upon their records an order authorizing and directing the said viewers to proceed with their duties; and

WHEREAS, it appearing that the viewers so appointed have appeared before the Board of County Commissioners this day and have filed their oath as required by law;

THEREFORE, BE IT RESOLVED that Merritt J. Glass, Ray H. Brown and E. C. Vickers, viewers of the Tulsa-Sand Springs Levee and Drainage District, Tulsa County Drainage District No. 11, are ordered, authorized and directed to go upon the line described in the property description in the report of the original viewers appointed in this matter, which was filed in the office of the County Clerk of Tulsa County, Oklahoma, on the 23rd day of January, 1941, and the description of lands and property contained in said report is made a part of this order, the same as if set out here in full, and is omitted herefrom only for the purpose of brevity; and the County Surveyor or any expect surveyor or engineer hereafter appointed and employed by the Board of County Commissioners have also authorized to go upon said property and aid in the performance of the duties hereinafter placed upon the said viewers and only the general route of the drainage district has been located by the original viewers, and that the viewers appointed by the District Court and referred to in this order may establish the precise location of the improvements or the precise location of the outside boundaries of said drainage district, and they shall survey and level such described or established line and set a stake at every 100 feet numbering downstream, mark the intersection and boundaries of land, township, range and county lines, bench-marks and road and railroad crossing. They shall determine the dimensions and form of the proposed levee and drains, if any, and other improvements, and what disposition shall be made of excavated earth, and shall make report profile and plat of the same, together with a schedule of all lots and lands and of public corporate roads and railroads, together with the names and residences of the owners that will be benefitted, damaged, or condemned by or for the improvements, and the damage or benefit to each tract of 40 acres or less, and make separate estimate of the cost and construction, and apportion the same to each tract in proportion to the benefits or damage that may result to each.

The said viewers shall specify the manner and time in which the improvements shall be made and completed, the number of floodgates, water-ways, farm crossings, bridges and the dimensions thereof in both the county and township lines and railroad crossings.

The plat shall be drawn upon a scale sufficiently large to represent all the meanderings of said improvements and shall distinctly show the boundary lines of each lot or tract of land and each road or railroad to be benefitted and taxed thereby, and the name of the owner or owners of each tract of land and of any interest therein so far as they are able to ascertain the same; and the authority or company having in charge, owning or controlling each public or corporate road or railroad, the distance in feet to each tract or parcel of land, together with such other matters as the viewers may deem material. Such profile shall show the surface, the grade line and grade, if any, fixed, and the viewers shall make and file with the report itemized bill of costs made in the discharge of their duties.

The vote upon the above resolution was as follows:

Commissioner Gray,	Aye
Commissioner Morley,	Aye
Commissioner Greer	Aye.

The above resolution was declared carried.

ATTEST: ANDY STOKES, COUNTY CLERK.  
SEAL.
