Pursuant to a petition filed by the Sand Springs Home, a corporation for the right and authority to construct a 20 inch metal pipe line across and through the Arkansas River ~~XXXXXX~~ for the purpose of transmitting and selling water to oil refineries, industries and manufacturing enterprises and to the inhabitants of Tulsa County, upon motion of Ira Short seconded by F. M. Wooden, the following order was made.

"ORDER".

NOW On this 8th day of March, 1922, the application of the Sand Springs Home, a corporation, for the construction of a twenty inch metal pipe line across the Arkansas River beginning at the Meander Corner of left bank of Arkansas River, sections 8 and 9, T. 19 N., Range 12 E.,, thence on and along the Meander line of the left bank of Arkansas River S. 29 degrees W. 237.6 feet, thence south 40 drgrees 30' W., 330 feet, thence S. 63 degrees W., 594 feet, thence S. 63 degrees 15' west 118.8 feet; thence S. 66 degrees 30' W., 349.8 feet; thence south 70 degrees w., 726 feet thence s. 65 degrees W., 82 feet to and intersecting pipe line, thence S. 82 degrees 53' E., 36.1 feet, thence S. 19 degrees 45' E., 119 feet to and intersecting the Meander line of right bank of Arkansas River, thence on and along Meander line of right bank of Arkansas River N. 79 degrees E., 970 feet; thence north 78 degrees E., 660 feet to and intersecting the Meander corner of right bank of Arkansas River, Sections 8 and 9 T. 19 North, Range 12 E., for the purpose of furnishing Shell Creek Water to various Oil refineries, industries, manufacturing enterprises and individuals living and located in Tulsa County Coming on to be heard.

The Board finds that the Sand Springs Home is a corporation duly organized and existing under and by virtue of the laws of the State of Oklahoma, and that it is authorized by its charter to furnish water to various inhabitants, factories, refineries and other industries within the County of Tulsa and the State of Oklahoma, and that the said Sand Springs Home has made contracts with the various oil refineries and manufacturing enterprises and inhabitants located within the County of Tulsa to furnish the said water.

The Board further finds that it is necessary for the Said Sand Springs Home in order to furnish the said water to the said refineries, factories and inhabitants of Tulsa County, to lay, construct, build, maintain and operate over, across and through the arkansas River a twenty inch metal pipe line beginning at the Meander Corner of left bank of Arkansas River Sections 8 & 9 T. 19 N., R. 12 E., thence on and along the Meander Line of the left bank of Arkansas River S. 29 degrees W. 237.6 feet, thence S. 40 degrees 30' W., 330 feet, thence S 63 degrees W., 594 feet, thence S. 63 degrees 15' West 118.8';
