PROJECT AGREEMENT

County of Tulsa

State Aid Project No. _____

This Agreement, Made and entered into this the 13th. day of December, 1926 by and between the State Highway Commission of Oklahoma, acting for and on behalf of the State of Oklahoma, hereinafter called the State, and the Board of County Commissioners of Tulsa County, acting for and on behalf of Tulsa County, hereinafter called the County.

WITNESSETH: That the County has on hand at the present time, or will appropriate and set aside, Two Hundred Thousand (\$200,000.00) Dollars to be used in connection with State or Federal funds between the control points of Sand Springs and Keystone for the construction of a multiple reinforced concrete arch bridge over the Arkansas River south of Sand Springs at an estimated cost of Four Hundred Thousand (\$400,000.00) Dollars during the fiscal year of 1926-27 and 28, and we, the Board of County Commissioners of said County, pledge the above mentioned funds for expenditure in connection with State or Federal aid under the direction and supervision of the State Highway Commission in accordance with the laws governing said Commission.

The County thereby agrees to pay fifty (50%) per cent or approximately \$200,000.00 of the total cost of construction, including construction supervision, surveys, plans, right of way and overruns, if any.

The State hereby agrees to pay fifty (50%) percent or approximately \$200,000.00 of the total cost of construction, including construction supervision, surveys, plans, right of way and overruns, if any.

The County hereby agrees to pay the State's claim in the above amount, or their pro-rata share based on the detailed preliminary estimate, at the first regular meeting of the County Commissioners after the claim is filed with the County Clerk. The State agrees to advertise the project for bids as soon as practical after said claim is paid by the County.

The State agrees to return to the County their portion of any unexpended balance remaining after the completion of the project or use same for another project in the County is so requested by the County Commissioners.
