COMPARED

Further matters coming on for consideration in connection with the construction of the proposed drainage ditch in Park View Drainage District No. 2, Tulsa County, Oklahoma, and the Board having before them the further consideration of specifications for the construction of the drainage ditch, bridges and other work to be done in said Park View Drainage District, and the Board acting for and on behalf of the said district, the following proceedings were had:

There having been presented to this board the application of G. L. Lagers, accompanied by recommendation and endorsement, for appointment as drainage commissioner for said Park View Drainage District No. 2, after careful consideration thereof, it was found that said recommendation was signed by more than twenty per cent (20%) of the resident owners of land or property included within the district, and Commissioner Ira Short moved that G. L. Lagers be appointed drainage commissioner of said district for a period of twelve months, to receive the salary fixed by law, the appointment to be immediately effective, said motion was seconded by Commissioner Geo. E. Gilmore, adopted by the following vote:

AYES: Geo. E. Gilmore and Ira Short

NAY: None

Absent: F. M. Wooden

The chairman declared the motion carried, and G. L. Lagers appointed Drainage Commissioner of Park View Drainage District No. 2, Tulsa County, Oklahoma.

A Resolution approving the amended specifications, form of contract, contract bond and proposal sheet for the doing of all the necessary work in constructing the drainage ditch in Park View Drainage District No. 2, Tulsa County, Oklahoma, and also approving the amended specifications, form of contract, contract bond and proposal sheet for the construction of the bridges therein, and all other work pertaining thereto: Repealing all other resolutions in conflict herewith, and declaring an emergency, was presented to and approved and passed by the Board of County Commissioners.

A resolution amending section 4 of a resolution entitled: "A resolution approving and confirming the report of the viewers in Park View Drainage District No. 2, Tulsa County, Oklahoma; declaring the findings of the board relative to notice of hearing; relating to exceptions to the construction of the proposed ditch in said district making adjustments of said report; fixing the time and manner in which the work shall be done and the contract be let; and declaring an emergency", adopted March 8th, 1922, and declaring an emergency, was presented to and approved and passed by the Board of County Commissioners.

A order declaring it necessary for the public health, convenience and welfare that there be constructed a bridge over the ditch to be constructed in Park View Drainage District No. 2, Tulsa County, Oklahoma, said bridge to be constructed by the Missouri, Kan-
