

December 8th, 1936.

You are further notified that you will be at liberty to issue prescriptions to those indigents that are on the County rolls and these must be verified by identification cards or by calling the Welfare Department. This does not mean any one on the WPA or those who are better than sixty-five years of age now receiving old age pensions.

Please make a special effort when issuing prescriptions that they will not exceed sixty cents.

Very truly yours,

BOARD OF COUNTY COMMISSIONERS,

JHM/mp

BY: (SIGNED) JOHN H. MILLER, CHAIRMAN.

Motion by Commissioner Hopkins, seconded by Commissioner Gray, that the following letter be sent to all Undertaking Companies doing business with Tulsa County. Motion carried.

Gentlemen:

The County Commissioners in regular session wish to notify you that on and after this date the County will be unable to pay for any ambulance call as our funds which were appropriated by the Excise Board are now exhausted. In case you should have some one who has passed away and they happen to be on our rolls, then it will be necessary for you to call the Welfare office or one of the County Commissioners to verify same before burial is made.

Very truly yours,

BOARD OF COUNTY COMMISSIONERS,

JHM/mp
