Coming on for a hearing is Zoning Application CZ-179, Esther Harger, Applicant, tract located West of the NW/c of 209th West Avenue and the Keystone Expressway. Chairman stated that the \$50. publication fee had been paid and the hearing would proceed. Bob Gardner, TMAPC, was present and stated applicant advertised for CG zoning but the planning commission voted unanimously to recommend CS zoning to be consistent with property on the NW corner. He stated with CS zoning a Board of Adjustment exception will be needed for Applicant to sell cars. Chairman asked if anyone was present to speak in favor of the application. Esther Harger, Applicant, was present and stated her objective was to bring all of her businesses here as well as restore wrecked cars to sell. Applicant stated she is a property owner in the area and is willing to work with residents to keep from downgrading the property values in this area. Alleene Bishop, interested party, was present to speak on behalf of residents present and those who could not be here. She presented a letter from Jerry Abboud stating he is against any zoning which would have a negative effect on the area. She entered into the record photographs showing junked cars on the tract and stated comments have been made about having a car salvage there. Hugh
