In the matter of the application of Oklahoma Natural Gas Corporation for permission to lay pipe lines along certain County Highways, the following order was made:

NOW, On this the 21st. day of Feb. 1927, the matter of the petition of Oklahoma Natural Gas Corporation for permission to place a pipe line along, under and across certain highways in said County and State came up before the Board of County Commissioners of said County for hearing, and it appearing to the Board and each of the Commissioners thereof that it was just that the said Oklahoma Natural Gas Corporation be permitted to use as much of the highways as designated by plat filed by said Corporation, and according to said description, which is as follows, to-wit:

Beginning at a point on eight inch medium pressure gas pipe line now on place just North of the intersection of Pine Street and the paved highway which parallel the St. Louis-San Francisco Railroad Company's right of way in the SW/4 of Section 28, Township 20 North, Range 13 East, and running thence in a northeasterly direction within the public highway, being parallel to and eleven feet distant from the northwesterly edge of the pavement, thence leaving the public highway running due north; said line being within the public highway for an approximate distance of 500 feet, according to the blue print map attached to the Petition herein and made a part thereof. This line known as "Service Line to Acme Brick Plant"

And, it further appearing from the petition herein that said pipe line will be so constructed as not to interfere with any of the rights of the general public in the use of said highways, and will be constructed in accordance with all rules of the County Commissioners and the laws of the State of Oklahoma governing same.

IT IS HEREBY ORDERED AND ADJUDGED by the Board of County Commissioners of said County that permission be granted and the same is hereby granted to Oklahoma Natural Gas Corporation, its successors and assigns, to use as much of the highways as above designated.
