

desire to submit for the Tulsa Chief the following bid for the County legal printing, as called for in your request of recent date. Sixteen cents per square as per your specification - per insertion.

Yours Respectfully

The Tulsa Chief

To the Hon. Board of County Commissioners - Tulsa Co.

In reply to invitations for bids on County printing a copy of which is hereto attached. The Tulsa Publishing Company beg to submit the following bid.

This Company will do all the printing for the County including the tax lists and all other County printing regardless of the clause "for which payment is made by the County" evidently meaning county direct let under the direction of the above board of Commissioners for 5 cents per square. This means all County printing of any kind whatsoever.

If the above Board of County Commissioners conclude to let the printing and that the tax lists and such printing as is classed under "Not paid for by the County" are to be paid for at the legal rate - This Company will give the County of Tulsa the sum of \$300⁰⁰ for the privilege of doing the County printing and the compliments thereof.

If the above Board cares to make this ^{company's} publication its official organ at one half of one cent less ^{per inch} than any other Company or person. - Said inch here to mean legal square. This Company will accept same at that price. The above printing to be done in daily or weekly publication of this Company or both as may suit the pleasure of the above board. The Statutes will be conformed with in every respect.

P.S. This Company will give the County of Tulsa \$1000⁰⁰ for the contract for all County printing at the legal rate.
