

Commencing at the Northeast corner of Section 12- T17N- R12E and running West along the North side of said Section 12 a distance of approximately 5000 feet.

Said line to be constructed on whichever side of said highway as may be necessary to avoid conflict with present telephone lines. This consent includes the right to cross all intersecting roads or highways and is conditioned that said line shall be Built in accordance with the standards prescribed by the State of Oklahoma through the corporation Commission under its Order Number 16061. Said line shall be constructed as near to the side of the road as is practicable, and not more than four (4) feet from the outside boundary of highway right of way. A map showing the route of said line is attached hereto and made a part hereof.

The Oklahoma Gas and Electric Company will remove its line to such other location along said highway as may be designated by the County Engineer, in the event such removal is necessary on account of improvement of highways.

The Oklahoma Gas and Electric Company will place all poles along the highway particularly at intersections of the highway in such a manner that there will be no hazard to traffic and to save Tulsa County from any damage of whatsoever nature or kind that might occur to either public or private property at such time as said work is performed.

Approved this 22nd day of October, 1945.
