

85th and 45th was a distance of 1050 ft. to where it intersects with a Slough, which said Slough empties into the Ark. River. We do further report and recommend that said Drain or improvement should be bridged at the following points to wit:

Where said ditch crosses the east and west line between Sections No 30 and 31 Township 19 - Range 13 East Tulsa County Okla. and also where said proposed ditch crosses the north and south line between Ranges No 12 and 13 East Township 19 North Tulsa County Oklahoma. We do further report and recommend that the work of construction should be by contract with working sections approximately one half mile in length.
