Tulsa, Oklahoma. May 29th. 1922.

Honorable Board of County Commissioners  
of Tulsa County, Tulsa, Oklahoma.

Gentlemen:-

I am herewith reporting specially on several matters connected with our services and in addition thereto on matters connected with future services for the ensuing fiscal year.

JUSTICE OF THE PEACE AUDITS.

We are today filing with you for your approval and consideration the official and approved report of the Audit of H. J. Gray, Justice of the Peace District No. 4, City of Tulsa. We have held a conference with Mr. Gray for the purpose of obtaining from him information in several cases, not disclosed by the records.

The Audit shows that the amount due to the County is \$767.82 and embraces Fines, County Attorney Fees and Bond Forfeitures collected and not reported nor paid to the County, and Sheriff's Fees and Fees Escheated to the County under the law, and the sum of \$24.37 overpaid by the County on Quarterly Reports.

The Audit sets forth that there is due to the County from fines collected and unreported the sum of \$275.50, from County Attorney Fees collected and unreported the sum of \$115.00 and from Bond Forfeitures collected and unreported the sum of \$38.70, making a total of \$429.20.

In going over this matter with Mr. Gray yesterday Mr. Gray admits the sum of \$225.50 but claims that the sum of \$213.70 should not be charged against him. In reality, the amount that the audit charges as being collected and not reported nor paid to the County in these items amounts to the sum of \$439.20, but we have allowed a credit of \$10.00 on account of overpayments to the County in two cases of \$5.00 each. leaving the net amount due to the County on these items the sum of \$429.20.

The sum of \$213.70 that Mr. Gray claims should not be charged against him is shown in the Audit and also on a special schedule which is attached to this report. After our conference we concluded that in one case where we had charged him with collecting \$15.00 fine and County Attorney fee, we would charge this from the audit for the reason that the
