

have been served with notice as required by Law.

The Board further finds that the Viewers had taken the Oath prescribed by Law and made their report as is by Law required.

The Board further finds that no remonstrances have been filed thereto.

The Board further finds that said drain or improvement is necessary and will be conducive to the public health, and is practicable and is of public and private benefit and utility and the lands benefited shall form Drainage Dist. #2.

This Board further finds that the Route described in said report is best. Viz:

Beginning at a point approximately 185 ft north and 880 ft west, on  $38^{\circ}$  and  $15'$  west, a distance of 1180 ft. from the Southeast corner of the Northeast quarter of the North west quarter of Sec. 30 Twp. 19. N. R. 13 E. Tulsa County Okla. Thence running South  $11^{\circ}$  and  $5'$  East from the point of beginning a distance of 800 ft. Thence running South  $39^{\circ}$  and  $22'$  East a distance of 1140'. Thence running South a distance of 1168 ft. Thence running South  $52^{\circ}$  and  $00'$  East a distance of 1067 ft. Thence running South  $20^{\circ}$  and  $5'$  East a distance of 1275 ft. Thence running South  $26^{\circ}$  and  $34'$  West a distance of 565 ft. Thence running South a distance of 1043 ft. Thence running West a distance of 2600 ft. Thence South a distance of 1160 ft. Thence running North  $89^{\circ}$  and  $30'$  West a distance of 890 ft. Thence running South  $67^{\circ}$  and  $45'$  West a distance of 610 ft. Thence running North  $85^{\circ}$  and  $45'$  West a distance of 1050 ft. to where it intersects with with a Slough, which said Slough empties into the Arkansas River.

And we do hereby order the County Clerk to enter this, our finding, in writing on the Commissioner's Journal, and we do further authorize the County Clerk to enter upon said Journal an Order directing the Viewers heretofore appointed and R. K. Hughes, Surveyor, to go upon the line determined upon by this Board and establish the precise location thereof Survey and level the same and set a Stake at every 100 ft. numbering down stream, mark the intersections and boundaries of said Township, Range and Cross lines, bench marks, and road and
