Mr. Paul Pinson and Jack Campbell, Attorneys for the Oklahoma Natural Gas Company, appeared before the Commission for the purpose of endeavoring to amicably adjust a question relative to the Miscellaneous Assessment against the Oklahoma Natural Gas Company in connection with the Arkansas River Levee in Drainage District No. 12. Mr. Conn Lynn, Attorney and Mr. C. J. Rust, W. O. Dickenson and Robt. G. Frye, Viewers for Drainage District No. 12, were also present. Mr. Pinson's contention was that the assessment against the Oklahoma Natural Gas Company was not only erroneous and invalid but that it was absolutely void as it was made against the individual corporation and not against land. The Oklahoma Natural Gas Company agreed to make a contribution of \$500.00 toward the levee project and Mr. Pinson introduced a telegram from Mr. Fred Peters, Treasurer, stating this fact but the Viewers for the District contends that the original agreement was that they were to pay \$500.00 per year for ten years or a total contribution of \$5,000.00 to the district. As there was no settlement made in this matter the meeting was adjourned until a future date.
