

The contract between Standard Paving Company and Water Improvement District No. 10 of Tulsa County, Oklahoma, for the construction of the public distribution system of said Water Improvement District, with Standard Accident Insurance Company as surety for said contract and the statutory lien bond, was upon motion duly made by Commissioner Shepard approved. The vote on said motion was: Shepard, Aye; Morley, Aye; Sallee, Aye.

Resolution approving the engineers' and Board of Directors' estimate of costs and appointing three disinterested free holders from the body of the County to act as Board of Appraisers to appraise and apportion the benefits to the several tracts, lots and parcels of land in said Water Improvement District #10 of Tulsa County, Oklahoma, was upon motion duly made passed. The vote thereon was: Shepard, Aye; Morley, A ye. Sallee, Aye.

R E S O L U T I O N

WHEREAS, the Board of Directors of Water Improvement District #10 of Tulsa County, Oklahoma have prepared and filed with this Board of County Commissioners a final, complete, and accurate statement of the cost of the entire public distribution system of Water Improvement District #10 of Tulsa County, Oklahoma, under and pursuant to the provisions of House Bill 181 adopted at the 1925 session of the legislature of the State of Oklahoma (Chapter 145 Session Laws of Oklahoma, 1925), which statement is as follows:

| | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------|------------------|
| Construction Cost | \$18,350.00 |
| Engineers | 2,048.40 |
| Appraising, advertising, legal, printing and other expenses incurred or to be incurred by the Board of Directors incident to said improvements | 1,624.10 |
| FINAL TOTAL COST | 22,022.50 |

WHEREAS, after full consideration thereof and upon being fully advised in the premises, said statement is found to be correct,

NOW, THEREFORE, be it resolved by the Board of County Commissioners of Tulsa County, Oklahoma, that the said statement of the cost of the public distribution system of Water Improvement District #10 of Tulsa County, Oklahoma, as heretofore filed with this Board of County Commissioners and as hereinabove set forth be, and the same is hereby found to be correct and is in all respect adopted and confirmed:

That C. J. Rush, Harvey Fillmore and R. E. Bassett who are three disinterested free holders from the body of the said Tulsa County and are not owners of any property to be assessed, are hereby appointed to constitute a Board of Appraisers to appraise and apportion the benefits received by the construction of said public distribution system to the several tracts, lots and parcels of land in said Water Improvement District, which said tracts, lots and parcels of land are described in schedule hereto attached and which said schedule is referred to and made a part of this resolution

That said appraisers shall, within five days after being notified of their appointment, after taking and subscribing their oath to make true and impartial appraisement and apportionment, proceed to perform all such acts and things in the premises as by law they are or will be required and empowered to do, and said appraisers shall make written report of such appraisement and apportionment to this Board of County Commissioners.

Passed and approved this 13th day of February, 1941.

Signed: G. H. Shepard, Chairman.

Attest: Andy Stokes, County Clerk.
