

in said improvement, viewers for said proposed District; and that upon the 4th. day of Nov. 1929, the said viewers filed with said Board of County Commissioners their report which was signed by them upon the 29th. day of October, 1929, and is as follows:

"We, the Viewers, appointed by the Board of County Commissioners of Tulsa County, Oklahoma, to view the lands lying in and adjacent to the proposed ditch and drainage improvements and said Drainage District sought to be established as petitioned for by W P. Phillips, et al, do hereby report as follows:

That we first took and subscribed the oath of office to faithfully and impartially discharge our duties as such Viewers and to truly and correctly make and return the report required by Chapter 38, Compiled Oklahoma Statutes of 1921; that we then proceeded to view the proposed line of the proposed drain and drainage improvements, and the lands along and adjacent thereto, and the whole of said Drainage District, accompanied by John C. Milliken, one of the Engineers appointed by said Board of County Commissioners, and after so viewing said lands and said proposed Drainage District we do hereby report that the proposed improvements are practicable and necessary and of both private and public utility and benefit and we do hereby recommend the following route for said Drainage District, to-wit: Commencing at the North Line of Tulsa County Oklahoma, in the Northwest corner thereof, with all that part of Section Two, in Town 22, North Range 12 East lying in said Tulsa County, and continuing in a southerly and slightly southeastern direction from said place of beginning, following the general direction of BIRD CREEK, and extending on both sides of it, to and including the S $\frac{1}{2}$  of the NE, the N $\frac{1}{2}$  of the SE, the SE of the NW and NE of SW of Sec. 8, and the N $\frac{1}{2}$  of the NE, and the parts of the NW, and the NW of the SW, lying North of Mohawk Park, in Section 9, all in Town 20 North, Range 13, East, Tulsa County, Oklahoma, together with all intervening and other lands as shown by the map attached to the petition filed by W P. Phillips, et al, all in Tulsa County, Oklahoma, and we do further recommend that all of the work be let by contract without allotment".

FURTHER NOTICE IS HEREBY GIVEN, that pursuant to an order duly made by said Board of County Commissioners for Tulsa County, Oklahoma, on the 4th day of November, 1929, a hearing will be had upon said petition for said Drainage District and said Drainage Improvements, and upon said report of said Viewers, on the 2nd. day of December, 1929, at the hour of 1:30 P M at the office of the Board of County Commissioners of Tulsa County Oklahoma, in the Court House at Tulsa, Oklahoma, and that any person interested in land which will be affected by said proposed drain and drainage improvement may file in the office of the County Clerk, on or before the day set for a hearing, a written objection against the same, and that said objections, if any, will be heard and determined with said petition and report and that all persons interested may appear and show cause, if any, why said drainage district should not be established as located by said petition and the report of said Viewers.

ATTEST: O G WEAVER, County Clerk.  
(SEAL)

BOARD OF COUNTY COMMISSIONERS OF TULSA COUNTY,  
OKLAHOMA, Per: ED W HEDGECOCK, Chairman.

#### ORDER SETTING TIME FOR HEARING PETITION.

WHEREAS, On the 21st. day of October, 1929, W P Phillips, et al, consisting of five or more residents of Tulsa County, Oklahoma, claiming to be affected by the proposed Drainage District and improvements, filed with the Board of County Commissioners of Tulsa County, Oklahoma, a petition for the establishment of a Drainage District and the construction of Drainage Improvements therein, said District to begin at a point along the north line of said County and at or near the Northwest corner thereof and running thence in a southern and slightly southeastern direction, following the line of BIRD CREEK, and on both sides thereof, to a point or points along the North line of Mohawk Park and including intervening and other lands as shown by the map attached to said petition; and

2 WHEREAS, On said 21st. day of October, 1929, after the filing of said petition the said petitioners duly filed a bond, as required by law, to cover all costs and expenses in case said petition should be denied or dismissed, and said bond was duly approved by said Board of County Commissioners in regular session; and

WHEREAS, Thereafter and on said 21st. day of October, 1929, the said Board of County Commissioners duly appointed Frank F Cochran, W J Ruyle and Claude Sample, being the three disinterested persons who had the qualifications required by law, as Viewers for said proposed District; and

WHEREAS, said Viewers having filed their report showing that said proposed improvement is practicable and necessary and of private utility and public utility and benefit and that the work thereon should be let by contract and not by allotment, and having recommended the route as shown upon the map attached to the said petition;

IT IS ORDERED by the Board of County Commissioners of Tulsa County, Oklahoma in regular session, that said Petition for said Drainage District and said improvements therein, and the said report of said viewers thereon, be and the same is hereby set for a hearing upon the 2nd. day of December 1929, at the hour of 1:30 o'clock P M at the office of the Board of County Commissioners of Tulsa County, Oklahoma, in the Court House, at Tulsa Oklahoma; and it is further ordered that notice thereof be given by publication for two successive weeks in the Skiatook News, a newspaper printed and of general circulation in said County, according to law, and that the last publication thereof be at least ten (10) days before the date fixed for said hearing.

ATTEST: O G WEAVER, County Clerk.

BOARD OF COUNTY COMMISSIONERS FOR TULSA  
COUNTY, OKLAHOMA PER: ED W HEDGECOCK,  
Chairman.

The following Resolution was introduced by Commissioner Dickey, who moved its adoption, and the motion to adopt was seconded by Chairman Hedgecock, and the same was declared carried.

#### R E S O L U T I O N

WHEREAS, Tulsa County is desirous of placing Pea Gravel and Rock on certain sections of highway for maintenance purposes.

AND, WHEREAS, the County Engineer has obtained prices on materials labor and freight rates which are advantageous to Tulsa County.
