

of Section 35, Township 20 North, Range 12, East, said line to be a twelve inch intermediate pressure gas pipe line.

TO THE HONORABLE BOARD OF COUNTY COMMISSIONERS,
TULSA COUNTY, OKLAHOMA.

Your Petitioner, the Oklahoma Natural Gas Company, of Tulsa, Oklahoma, a Corporation organized and existing under and by virtue of the laws of the State of Oklahoma hereby petitions and makes application to your Honorable Body for permission to construct over, under along and across the above specified public highways of Tulsa County, Oklahoma, its twelve inch intermediate pressure gas pipe line, and respectfully shows and represents to your Honorable Body as follows:

1. That it is a corporation duly incorporated and existing under and by virtue of the laws of the State of Oklahoma, having its principal office and place of business at Tulsa, Oklahoma, and has complied with all the laws, rules and regulations provided by the laws of the State of Oklahoma to authorize and enable it to engage in and transact business in the State of Oklahoma, and is engaged in the business of purchasing, producing marketing and conveying natural gas in Oklahoma.

2. That under and by virtue of the Articles of Association and Incorporation and the Laws of the State of Oklahoma, it is authorized to engage in and conduct and is engaged in conducting the business of purchasing, producing, marketing transporting and conveying natural gas in the State of Oklahoma, and it is desirous of constructing its said gas pipe line to further advance its said business in Tulsa County, Oklahoma.

3. That it cannot put in its said gas pipe line without the consent and permission of this Honorable Board to use said highways, and in order to complete its said gas pipe line it is necessary for it to have the power and authority to construct said line above mentioned across, along, over and under the specified highways of Tulsa County.

4. That in putting down its said gas pipe line this Company will comply with all the laws of the State of Oklahoma governing the construction and operation of same, and will likewise comply with all the rules and regulations provided by this Board, or other competent authority of the State of Oklahoma, for the construction and operation of same.

5. Your petitioner submits as a part of this, its petition, a blue print map showing the definite location of its said twelve inch intermediate pressure gas pipe line.

WHEREFORE, Your Petitioner respectfully requests that it be authorized and empowered to put down, lay, maintain and operate this said gas pipe line for the conveyance of natural gas across, along, over and under the said specified public highways of Tulsa County, Oklahoma, under such rules and regulations as may in the judgment of your Honorable Body be necessary for the protection and preservation of said highways, to avoid any inconvenience to the public in the use of same, and for the protection of said County against liability for damage by reason of the construction, maintenance and operation of same.

ATTEST:

L.C. RITTS, Its Secretary.

OKLAHOMA NATURAL GAS COMPANY

(CORP SEAL)

By: D.C. Tharp Its Vice President.

Now, on this 21st. day of August A.D. 1922, at a regular meeting of the Board of County Commissioners of Tulsa County, Oklahoma, held in compliance with and according to law, the application of the Oklahoma Natural Gas Company a corporation of Tulsa, Oklahoma, for the right to put down, construct and operate its gas pipe line along, across, over and under the above the above specified highways of Tulsa County, Oklahoma, which application is in writing and sets forth that it is necessary for the purpose of further advancing the business of said Company in the purchasing, producing, marketing, transporting and conveying of natural gas as in said petition stated, to lay, construct, operate and maintain said pipe line along, across over and under the specified highways of Tulsa County, Oklahoma, comes on to be considered, and said Board after hearing said application and considering same and being fully advised in the premises, finds that said application should be granted.

IT IS THEREFORE ORDERED, ADJUDGED AND DECREED, That the Oklahoma Natural Gas Company of Tulsa, Oklahoma, be and the same is hereby authorized and empowered to lay maintain put down, construct, and operate this its said twelve inch gas pipe line for the conveyance, transmission and transportation of natural gas under, over, along, and across the said specified highways of Tulsa County, Oklahoma.

IT IS FURTHER ORDERED, That said gas pipe line be buried so as not to interfere with the ingress and egress of adjacent farmers at the ordinary places of entrance to their lands, and at such other places along said highways where abutting land owners may desire to locate a place for entrance to their lands when so requested by the land owners.

IT IS UNDERSTOOD, That in granting this order it shall in nowise be construed as assuming any responsibility on the part of the Board of Commissioners of said County, or on the part of the Said County, for any damage arising from the putting down, construction and operation of said line, but the Oklahoma Natural Gas Company shall be responsible for all damage accruing from the construction of said gas pipe line, or which in any wise may be caused or occasioned thereby, or by the use of same.

IT IS FURTHER UNDERSTOOD AND AGREED, That this order and the rights accrued hereunder and granted hereby shall in no wise abridge the right or authority of the County Commissioners, the Township Trustees, the Road Overseers of the Public Highways in said County as the same is now provided by law.

IT IS FURTHER ORDERED, That said line shall be so used, made and constructed as not to interfere with the use of said public highways, nor the repair thereof, nor with the drainage of the highways, and in crossing streams and drains it shall be placed either above or below the same so as not to obstruct the flow of water therein, and when placed under the surface of said highways, the surface or roadbed shall be restored to the same degree of safety for travel as it was before said pipe line was put under the surface thereof.
